

### **Temple Beth El - High Holy Days 5781**

In my last letter to the congregation I highlighted the work of our HHD (High Holy Days) and Reopening committees. Both have provided invaluable guidance and insight as to how we meaningfully and carefully navigate TBE operations so as to ensure your safety.

After much thought and deliberation, I have made the decision that this HHD season we will proceed with virtual first services and programming so we can focus all of our energies on providing a high-quality, soulful, and engaging streaming/online experience. Virtual first also affords us maximum flexibility to revisit things as we get closer to Rosh Hashanah, and the potential opportunity to welcome congregants in-person if the future state of public health remains the same or better than current state.

You have likely noticed our theme this year is "Home for the Holy Days." Rabbi, Hazzan, and our TBE staff are working on final plans for Selichot, Rosh Hashanah, and Yom Kippur. I hope that in the services and programming offered you will find sacred spaces, access to the traditions of old, and opportunity to establish new traditions of your own.

The enclosed schedule will also be featured in the next KOL. I encourage you to visit/bookmark the TBE website to stay up-to-date and for access to additional resources.

Please plan to stop by TBE **Sunday, September 13, 10:00 AM - 12:00 PM** to pick up your "Home for the Holy Days" tote bag and Mahzorim. Contact the TBE office if needing a delivery.

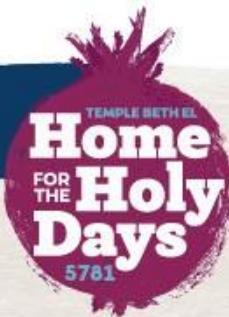

Stay in-touch with us and each other. Let us know if you have questions and if we can be of support.

L'shalom,

Martin A. Spokony  
TBE Board President
