

To our wonderful TBE Families,

L'shana tova! We miss you all and look forward to the days when we can once again see your smiling faces in person. Until then, virtually will have to do! Are you aware of all of our PreK-school aged children oriented offerings for the High Holy Days? Check out our handy list below detailing our different High Holy Day program offerings (zoom and youtube links included). All of our programs are being led by Rabbi Dan Horowitz.

In addition, Rabbi Dan will also be leading a Nigguning Only Service Friday 09/18, 8-9 pm and an adult learning session on Saturday 3pm. Rabbi Dan will also be giving the sermon on Sunday 09/20 at 10:45am.

Rabbi Dan has been blessed to work in just about every Jewish educational setting imaginable, both formal and informal.

Rabbi Dan is currently the CEO of the Alper JCC in Miami, FL. Previously, he was the Founding Director of The Well: an inclusive Jewish community-building, education and spirituality initiative geared to the needs of young adults and those who haven't connected with traditional institutions.

Rabbi Dan was selected by The Forward as one of the most inspiring rabbis in North America, and was selected as one of four inaugural cohort members of the Open Dor Project - a competitive national accelerator for Jewish spiritual startup leaders. He is also an alumnus of the Clergy Leadership Incubator housed at Hazon.

Before founding The Well, Rabbi Dan served in a number of professional roles, and is proudest of his years of work as the Rabbi and Director of Immersive Learning for Moishe House, heading the Jewish Education department for the global leader in Jewish young adult engagement and education.
