Eric was an adventurous guy. In the warm weather, we would go on hikes or just go for walks around town. Eric was a beer enthusiast. His dream was to one day open up his own brewery. Eric was also a fire master. He loved making campfires and spending time with friends and family sitting around them. Help us keep Eric's memory alive by joining us for this special day.

If you wish to make a donation in memory of Eric to help fund this and other 20/30's program at TBE visit www.tberochester.org/support.
